PROPELLING GLOBAL HOVERSPORT

Bulletin Number 28

October 2011

Hovercraft EXTRAVAGANZA

I am pleased to be able to give you some information about a major and exiting event that is being proposed by the Hovercraft Club of Great Britain (HCGB) from 6th to 10th of June next year (2012). They are hoping to arrange a week long "Hovercraft Extravaganza". An application is being made to the European Hovercraft Federation (EHF) to include a two day European race meeting.

However, the main reason for contacting you is that our Secretary has just received an application from the HCGB seeking approval from the WHF to allow them to hold both official WHF Speed Trials and WHF Endurance Racing (ER). This development is particularly exiting as it is many years since the WHF have sanctioned speed trials on its behalf. It is also pleasing because as Germany has not been able to include ER at the WHF World Championships in 2012 the HCGB proposals would allow ER drivers from around the world the opportunity to take part in a WHF World Championship albeit at an alternative major event.

For your information the application is attached to this Bulletin in PDF format and the voting members of the WHF Board will very soon be asked for their decision so I suggest you start lobbying your representative in advance.

What ever the outcome of the application I am sure you will be most welcome to attend the HCGB's "Hovercraft Extravaganza" as an individual.

As usual this Bulletin will be circulated to as many people as possible but please pass it on to anyone who you think may be interested.

Tony M Drake JP. President of the World Hovercraft Federation.
