Bulletin Number 41

September 2017

WORLD HOVERCRAFT CHAMPIONSHIPS

GERMANY 2018

You will recall that in our previous Bulletin 40 we informed you the proposed World Championships in 2018 in China had been cancelled and that we were in discussions with another country to host them for us.

I am very pleased to confirm that we have been able to secure an alternative host. Germany will now be hosting our World Championships in 2018. I would like to record my thanks to Michael Rausch, President of the German Hovercraft Club (HVD), and all the German Hover Clubs for making this possible at such short notice.

Kind regards,

Tony M. Drake JP. WHF President.

World Hovercraft Championships 2018 in Germany.

We are pleased to announce that our next World Championships in 2018 will be hosted by Germany in the town of Saalburg. This location has been used frequently for European Hovercraft Federation race meetings and was used for our World Championships in 2012.

The dates for the World Championships are Wednesday 5th to the Sunday 9th of September 2018.

Regrettably it will not be possible to hold an Endurance Race Championship and Formula 3 will be incorporated into Formula S.

These principle arrangements have only just been agreed with the President of the German Hovercraft Club (HVD) and more details will be made available to you when they are confirmed.

The WHF are extremely grateful to Michael Rausch, President of the German Hovercraft Club (HVD), and all the German Hover Clubs for making our World Championships possible at such short notice. I am sure you will join with us in wishing them well with all their arrangements.

Formula 50 ~ alternative engine.

Again, just a reminder ~ A WHF Board e-mail vote took place in 2015 concerning the addition of an alternative engine for Formula 50. The vote confirmed that the Russian engine type RM-500 (also known as PM3-500, RMZ-500 or TAJGA-500) with its standard exhaust is an acceptable engine for Formula 50. This vote was too late for inclusion for the World Championships in 2016 but is now acceptable for all future World Championship events.

Circulation.

As usual this Bulletin will be circulated to as many people as possible but please pass it on to anyone who you think may be interested.

And a Final REMINDER.

Please do discuss any of the above issues, or other matters that concern you, with your colleagues and your Country's representative. This way the WHF can take your views into account and develop for the future.
