Confirmation of 2022 World Championships in Sweden.

During the past few weeks/months I have been in discussions with Magnus Ivanoff concerning reconvening our World Championships in Sweden.

I am very pleased and delighted to confirm that Magnus and the Swedish Team have been able to negotiate with Flottsbro for us to return there for our previously postponed World Championships.

The Championships will be between the 31st of August and the 4th of September 2022.

As and when more details are available, I will keep you informed.

I know you will agree this is good news and we are indebted to Magnus and the Swedish Team.

Kind regards, Tony M Drake, JP. President ~ World Hovercraft Federation.
