Bulletin Number 54

June 2022

URGENT
2022 World Championships in Sweden.

I hope you are looking forward to our World Championships in Sweden as much as I am.

With only 3 months to go, so that our Swedish hosts can make all the necessary arrangements for us it is essential that you now register online at www.swedenhovercraft.se

Note: Final date for registration is June 30th. Registration after this date will be charged 800 SEK

If you need accommodation on site at Flottsbro this should be arranged directly with them online at www.flottsbro.com (Usefully this site has an English translation available).

If you have any enquiries concerning arrival or off-loading etc., please send these to Magnus at magnus@hovercraft.se

We are proposing to hold a WHF Board meeting on site during the evening of Thursday 1st September and our secretary will be circulating details for this soon and I hope to see you or your countries representative there.

In the meantime, I hope your planning, arrangements and craft preparation go well but **PLEASE, PLEASE** do register your attendance with our Swedish hosts.

Kind regards,

Tony M Drake, JP. President ~ World Hovercraft Federation.

(As usual this Bulletin will be circulated to as many people as possible but please pass it on to anyone who you think may be interested).
