Bulletin Number 50

April 2021

Postponement of 2021 World Championships in Sweden .

It is with much regret I have to inform you that because of the uncertain threats from the Covid pandemic the forthcoming World Hovercraft Championships in Sweden in 2021 have again had to be postponed. I can assure you this decision has been taken very, very reluctantly. The Swedish event organisers will investigate the possibility of holding the event in August or September next year and I will keep you informed of this.

While this is very disappointing for us all I'm sure you will appreciate that there are many Covid variables. It would only take a virulent mutated virus to occur somewhere in Europe, or anywhere else in the world for that matter, which would have a devastating effect on us should it have to be cancelled nearer to the event.

I would like to thank the Swedish organizers for everything they have done to in an attempt make our World Championships possible and now to postponed the event for a second time, I know, they will be more than doubly disappointed.

Kind regards
